Flock Safety

Don’t miss your last chance to register for our webinar on Flock Safety’s Raven® audio detection system, happening Wednesday at **1 p.m. ET / 10 a.m. PT**. This is your opportunity to see how our AI-driven technology is setting new standards in public safety.

What you’ll gain:

- Insights into new sound detection options, including the identification of sideshows.
- Learn about the scalability and affordability of Flock Safety Raven®, allowing for city-wide

coverage that extends protection and enhances public safety.

Join us to discover how you can leverage Flock Safety's innovative solutions to better protect your community.
